Spring Clean-up items must be at the curb by 7:00 a.m. Monday morning of your scheduled week. We will pick up **one time** at your residence during that week. Because we are unable to identify the exact day in which your items will be picked-up, you must have them at the curb by 7:00 a.m. Monday morning.

Because of escalating costs, landfill restrictions, and use of packer trucks for collection, the following regulations and prohibited items will be strictly enforced.

- For spring clean-up items only. Bags will be checked. Normal household garbage must be set out on your weekly collection day.
- Each resident will be limited to a maximum of 60 cubic feet of discards. This is equal to the amount that can be put into the hopper of the collection truck at one time.
- **Items must be bagged, boxed or tied in bundle to be handled by one person. *Loose materials not boxed, bagged, or bundled will not be picked up.***
- Building materials (wood, etc.) must be boxed, bagged or bundled and not exceed 2' x 2'. (no skids) A full sheet of any product is not accepted. Example: 4' x 8'
- Limit ONE (1) large item per household. For example: chair, recliner, TV, dresser, couch.
- Any rain soaked items that cannot be taken to the truck without falling apart will not be collected.
- No call backs for special items left out on wrong date, put out too late, or too much debris.

An effort should be made to keep our community looking neat. PLEASE do not place items out more than 24 hours (1 day) prior to your pickup day.
